Silent Auction Donation Request

The Almanor Foundation (TAF) depends on donors, patrons and the generosity of the communities in Plumas County to execute our mission to foster the development of a vibrant, sustainable community. We have raised/overseen the distribution of \$1 million+ for relief and recovery from the Dixie Fire; and continue our fundraising and gifting through grants. We are engaged in an initiative to address the need for affordable workforce housing across the region. In 2022, we helped raise over \$235,000 for Seneca Healthcare District “Back the Build” Fund for our new hospital. We manage funds for 13 different/varied organizations to include the Chester Cemetery District, The Canopy Project, the Plumas Sun, The Audubon Society, Wild Wonder, and the Jerry & Yvonne Kehr Educational fund.

As the “can-do community,” we consider ourself the umbrella organization which fosters collaboration for the greater good of the Plumas County; and are committed to its betterment so that all can thrive. Your donation will help us continue our capacity to serve the needs of our community.
